# WELCOME TO THE CARIBBEAN

Blazing sunsets over Technicolor seas, teeming with nearly 700 species of fish flitting among 70 types of vivid coral. Trade winds that skim mountain peaks, breathing softly into lush rainforests. Palms rising out of sparkling white beaches. Ethereal cloud forests that float high above mangrove swamps, cactus scrublands, and vast savannahs.

These are the images travelers to the Caribbean's over 700 islets, reefs, cays, and more than 30 islands carry with them. However, the beauty of these paradisiacal destinations goes beyond stunning aesthetic; gorgeous landscapes and year-round sunshine are only the beginning of this region's allure. To get a true picture of the Caribbean, look past what you see and tap into how you feel.

Close your eyes and focus on the sound of steel drums and pounding feet as pulsing reggae, calypso, and other island rhythms echo through the night. Savor what cuisine spooned from a melting pot tastes like—a blend of African, Spanish, Asian, East Indian and European flavors creating a profile all its own. Let the joy and vibrancy of incredible festivals infuse your soul. Escape to a time and place a world away, with elegant hospitality on romantic estates, or resorts that provide modern luxury at its finest.

Together, these are the true lasting impressions of the Caribbean—the beautiful, unforgettable moments embedded in your mind and heart forever; an indelible mark from the sweetest of escapes.

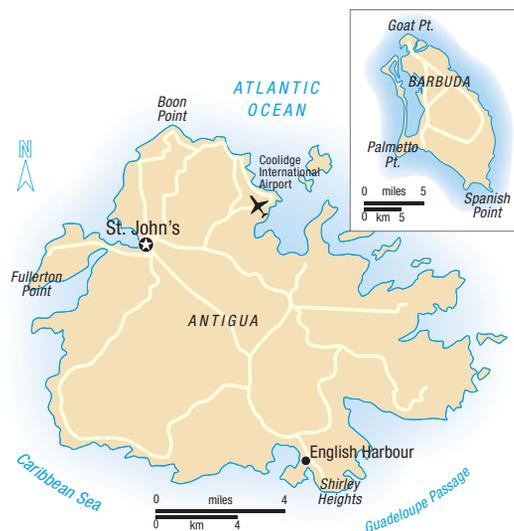

# ANTIGUA

## The Beach Is Just the Beginning

With a unique beach for every day of the year, it's not difficult to be wowed anew in the largest of the British Leeward Islands. A winding coastline sets the scene for sunsets made even more breathtaking after a 1,200-foot elevated hike or a ride on Fig Tree Drive through wild mango and almond tree canopies. Come back down to earth in secret spots like Bryant Cave, and kayak among improbably whistling ducks and flying fish while rare fallow deer gaze curiously from the shores.

However, taking to Antigua's water is instinctual. To the south, English Harbour—site of the world's only Georgian naval dockyard—and Falmouth are international yachting and sailing destinations; in the north, cruisers look forward to stopping in St. John, one of the most cosmopolitan municipalities in the Lesser Antilles. And if frigate birds are all the company you want, Barbuda's just a high-speed catamaran ride away.
