ARUBA

One Happy Island

Relaxation may be the prevalent theme at most Caribbean islands, but in Aruba, the focus of every day is to find the joy in each moment. Even the sun shines with a smile on “One Happy Island,” where light trade winds make 82 degrees the temperature of perfection.

For perfection it is, for every travel style, from family—and sea turtle!—favorite Eagle Beach to glamorous Palm Beach. Deserts populated by cacti, curious iguanas, and ancient boulders call to the explorer within, and the craggy limestone cliffs, towering sand dunes, and crashing breakers to the north inspire awe and a sense of freedom. In the capital city of Oranjestad, refined Dutch colonial architecture steals the spotlight just minutes from the island’s fofoti trees and inquisitive marine life. Located in the heart of the Southern Caribbean, its world-famous festivals, international cuisine, and shopping are legendary.

DOMINICAN REPUBLIC

Has It All

The island nation of Dominican Republic has become a premier vacation spot for Americans, with the Caribbean's most renowned golf courses; full-service marinas; and, of course, resorts that leave you wanting for nothing. Punta Cana's miles of palm-lined, white-sand beaches and affordable all-inclusives have plenty of loyal devotees, and the luxurious golf and marina community of nearby Cap Cana is hot on its heels. La Romana's quaint Altos de Chavón enclave is an exceptional work of livable art, with shops, a gallery, restaurants, amphitheater, and more perched high above golf courses, polo fields, and a marina. In the capital city of Santo Domingo, modern hotels sit on the same cobblestoned streets conquistador Juan Ponce de León once strode upon. In contrast, head to the northern coastline, where Puerto Plata beckons sun-worshippers to its amber shores and natural harbor; and to the peninsula, bay and scenic port town of Samana, the destination of choice for thousands of humpback whales each winter.

WELCOME TO MEXICO

Awe-inspiring resorts, set on powdery sands on sprawling coastlines. Darling coastal villages, where *fútbol* is played by youngsters on the same streets the greatest European conquistadors and Aztec, Incan, and Mayan warriors once strode; where old traditions live on, tortillas are still handmade, chocolate is served spiced, and Mayan and Nahuatl languages flow like the rivers that run through the country's jungle.

These are only some of the lasting impressions made by the United Mexican States, the tenth most populated country in the world. Featuring a landscape that offers sugar-white beaches, cinnamon deserts, and cities both forgotten and remembered in between, it's no wonder that so many Americans come here each year in search of paradise.

They head south to feel the kiss of the sun on their skin and the whisper of clear water at their feet. The rush of warm air as they zip through lush rainforests, countered by the crisp coolness of a refreshing cenote. The taste of pestle-ground guacamole, filling tamales, savory barbacoa, or heavenly carnitas, spiced with fresh chiles and tempered with a cornucopia of tropical fruit and mild cheeses.

From the Sea of Cortez to the Yucatan Peninsula, and the Gulf of Mexico to the Pacific Ocean, the magic of Mexico awaits, each destination eager to make its own lasting impression.

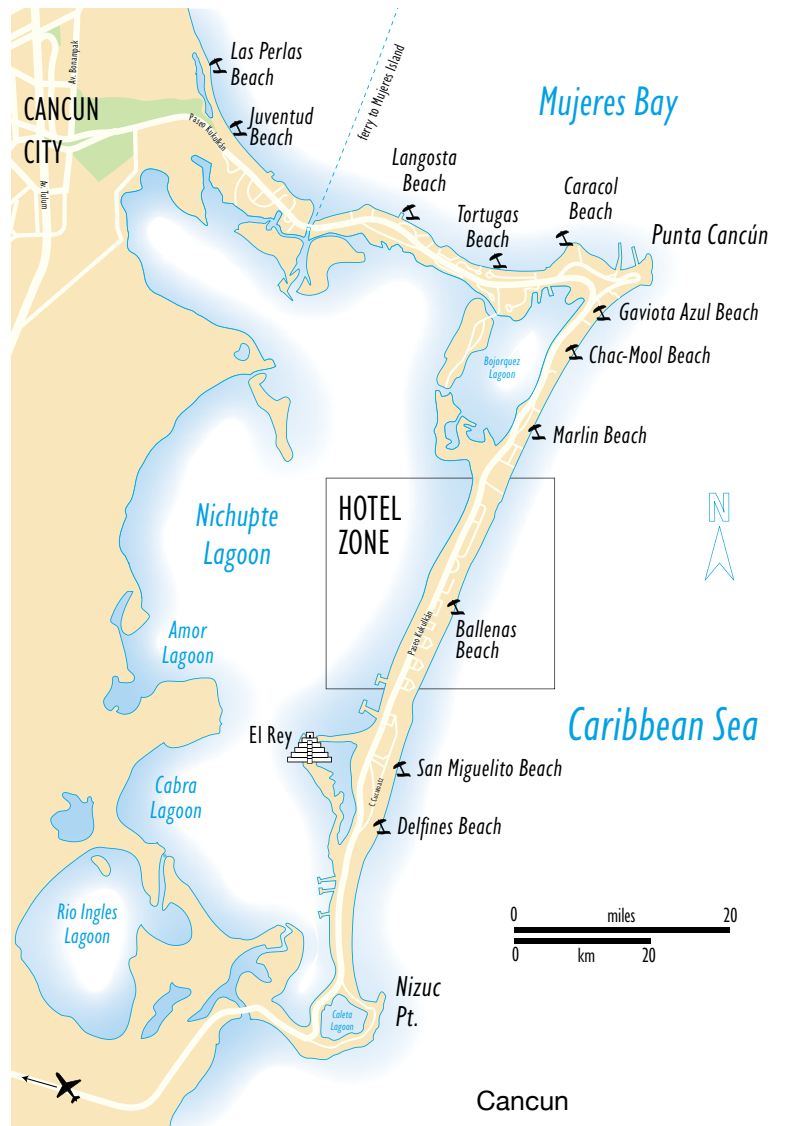

CANCUN

A Place Like No Other

One of Mexico's most beloved beach destinations, developed exclusively with tourism in mind, the tip of the Yucatan Peninsula is perhaps the best example of a crowd-pleasing destination on this side of the Americas. The sun worshipper and water lover; historian and adventurer; spa hopper and wildlife explorer; gourmand and gourmet; families with children in tow, empty nesters, and couples in every stage of love ... there truly is something for everyone in this slice of paradise along the Caribbean Sea.

At the heart of the action lies Cancun, a seven-shaped strip of stunning resorts set on 14 miles of bright white, crushed coral beaches, and host to millions of visitors each year. Divided into the popular and lively Hotel Zone, Downtown Cancun, and the Ecological Reserve, golf, snorkeling, scuba diving, wind surfing, water skiing, sailing, deep sea fishing, and jungle tour opportunities all tempt loungers to leave the sugary sand, no matter in which region they set up their chairs.

RIVIERA MAYA

Gateway to the Mayan World

To discover all of the Mexican jungle's ancient secrets, go to the Riviera Maya. Known for its 70-mile stretch of postcard-perfect waterfront, this region is also the site of the ruins of Tulum and its eponymous beach. Equally famous for its cenotes—stunning underground sinkholes filled with crystalline water—as it is for its shoreline, rest and adventure go hand in hand here.

A stone's throw away from the peaceful resorts that line the Riviera Maya's shores is the renowned touristic area of Cancun; the colorful villages of Playacar; and, of course, lively Playa del Carmen, where the nightlife keeps visitors on their feet.

Nature-lovers will quickly find what they seek, as well. Xcaret, the massive eco-archeological theme park, is based here and, just south, you'll find the 1.3 million-acre Sian Ka'an Biosphere Reserve, a UNESCO World Heritage Site with 23 archeological sites. Not to be forgotten are the famous coral reefs of Cozumel and the Puerto Aventuras marina, popular with fishermen and yachters alike.

COZUMEL

Heaven on Earth

Cozumel, Mexico's largest island at 30 miles long and ten miles wide, has long been a favorite cruising port, even back in the 17th century, when it served as a treasury for pirates. Today, it's a treasury for marine life, with visibility of up to 200 feet and cenote diving sites created by underground rivers. Known as one of the world's most spectacular places to scuba dive, visitors to nearby Riviera Maya and Playa del Carmen often take the ferry ride just for the 25 coral reefs found off this island's shores.

On this mostly undeveloped, island jungle destination, nature takes the spotlight. Part of the Cozumel Reefs National Park, the Chankanaab National Park features the Chankanaab Lagoon—the only inland coral reef in the world—and the Punta Sur Eco Park, another top attraction. Its Faro de Celarain lighthouse has a museum, observation towers with crocodile views, and the old whistling Mayan lighthouse, El Caracol. Four Mayan archaeological sites round out the ancient culture, while the town of San Miguel provides a taste of today's culture, with hopping restaurants and active nightlife.
