# CURAÇAO

## The Water is Calling

A blend of Dutch design and European-Caribbean culture, a stay at the “C” of the ABC Islands is as colorful as the façades of Willemstad. Floating craft and produce markets, modern art galleries, the Queen Emma Bridge, the largest African collection in the region at the Museum Kura Hulanda, relics at the Maritime Museum—these are surpassed in visual pleasure only by the island’s 35-plus beaches and unbelievable diving. The Mushroom Forest and steep Curaçao Wall are musts, as are the anemones and scorpionfish of Klein Curaçao. Open-water dolphin and sea lion dives are also options, in case the Sea Aquarium wasn’t up-close enough.

The island’s energy is equally vibrant. Art comes to life on the table; the dining in this polyglot destination is influenced from every corner of the earth. And Carnival makes winter worth celebrating. Curaçao is an ideal place for relaxation, granting you all the space you need.

# DOMINICAN REPUBLIC

## Has It All

The island nation of Dominican Republic has become a premier vacation spot for Americans, with the Caribbean's most renowned golf courses; full-service marinas; and, of course, resorts that leave you wanting for nothing. Punta Cana's miles of palm-lined, white-sand beaches and affordable all-inclusives have plenty of loyal devotees, and the luxurious golf and marina community of nearby Cap Cana is hot on its heels. La Romana's quaint Altos de Chavón enclave is an exceptional work of livable art, with shops, a gallery, restaurants, amphitheater, and more perched high above golf courses, polo fields, and a marina. In the capital city of Santo Domingo, modern hotels sit on the same cobblestoned streets conquistador Juan Ponce de León once strode upon. In contrast, head to the northern coastline, where Puerto Plata beckons sun-worshippers to its amber shores and natural harbor; and to the peninsula, bay and scenic port town of Samana, the destination of choice for thousands of humpback whales each winter.

# SINT MAARTEN/ ST. MARTIN

## The Friendly Island

Two nations, two cultures—one single celebrated island. On the Dutch side, rolling hills swell over 16 square miles. In Philipsburg, the capital of Sint Maarten, over 500 duty-free shops line Front Street, alongside more than 300 restaurants and 14 casinos. Down the avenue are 37 beaches with visibility of up to 100 feet at sites like the *HMS Proselyte* frigate, but non-divers are far from land-locked—sailing is a significant part of the culture, and cruises through lagoons to nearby islands and water sports are always available.

To the French north, jet skiers and windsurfers chase the action of the seas, while fashionable visitors seeking modern culture find it in capital Marigot's Marina Port La Royale. Sample the past at Loterie Farm, where a former slave trail leads to streams, iguanas, hummingbirds, and Pic Paradis, the island's highest point. For a literal taste of St. Martin, look no further than the fine dining of Grand Case, to casual lolo shacks serving conch and other local specialties.

# SAINT LUCIA

## Simply Beautiful

A leading honeymoon destination, romance is written on every grain of sand, in every splash of countless waterfalls, and every bite of Asian, American, European, and Caribbean cuisine. How could it not be, when in the colonial era, France and England fought over its beauty so frequently that it was called the “Helen of the West Indies”?

But this island isn't just for lovers. Adventure seekers head to the Pitons, Saint Lucia's two signature peaks, for biking or zipline excursions through jungle canopies. They plunge into the coral gardens of over 23 renowned scuba sites. Dive into culture in the street market of Castries; the traditional Friday and Saturday night fish fries in the towns; the jazz and calypso during Carnival; and the heritage sites of Pigeon Island National Landmark. The list of things to do rivals only the number of trails that lead up to La Soufriere, one of the world's only drive-in volcanoes, and immaculate beaches, making a honeymoon stage with this island one that never ends.

# WELCOME TO CENTRAL AMERICA

Connected geographically to North America and culturally to Mexico and South America, this isthmus of seven beautiful countries is a literal bridge between the two. In this subcontinent that floats between worlds, everything here is, in a word, diverse: the rainforested volcanic landscape; the mestizo heritage of European and Native American roots; the variety of foods that springs from fertile ground.

Don't just sample but savor chocolate where it was first cultivated by the ancient Mayans. Put on your most adventurous sandals and see if you can identify even close to the 8,000 different plant species in this region's forests. Turn your face skyward to taste clean water as it permeates the dense canopy of the tropical rainforest. Or, head for the surf and sand. It's not hard in Central America, where not a single destination is farther than 125 miles from the ocean, and the waves are renowned for being as spectacular as the cloud forests.

With so many fresh destinations to be discovered in Central America, who's to say what your lasting impression will be?

# Welcome to COSTA RICA

An eden of almost limitless possibilities, Costa Rica is made for exploring. Exhilaration is never far in this hotbed for ecotourism, where man's footprint is still small and adventure can be as big as the majestic volcanoes of Arenal Volcano National Park. Let your senses run wild as you hike, mountain bike, horseback ride, rappel, zipline, kayak, raft, snorkel, dive, paddleboard, surf, or ATV your way through thousands of acres of untamed greenery and expansive black and white shores.

Only three hours separate the Caribbean Coast from the Pacific, but boundless wonders lie between. See just how grand nature can be in places like the Monteverde Cloud Forest Reserve, where the mist shelters 2.5% of the entire planet's biodiversity, and the renowned beaches of Manuel Antonio. For a change of pace, take in the historic sites of the country's capital city, San José, set in Costa Rica's Central Valley. Or, get a taste of coastal Tico culture in Liberia, a fishing town close to the Gulf of Papagayo and a favorite among visitors. Sharing the nearby airport is "The White City's" sister destination, Guanacaste, where upscale resorts rest under nearly year-round sunny skies and the shadow of big waves begging to be ridden.

No matter how you explore Costa Rica, one thing is certain: the thrill of discovery will last far beyond the rush of adrenaline.

# Welcome to PANAMA

Discover amazing diversity in this crossroads of the world, where cobblestone charm meets modern-day luxury. From the ruins of the Panama Viejo historical district to the trendy art district of Casco Viejo to the vibrant cosmopolitan atmosphere of Panama City, this unique country is a destination like no other.

As the narrow isthmus connecting North and South America, Panama melds Caribbean, Latin, and European flavor with unbound natural and man-made wonders. It offers an incredible variety of world-class attractions: exotic tropical rainforests, beautiful mountain retreats and beaches, 1,000 islands, seven living indigenous cultures, a sophisticated capital city, Spanish historical sites, and, of course, the Panama Canal. Panama is endowed with some of the world's most pristine and biodiverse rainforests as well, protected in 13 national parks.

A sovereign, fully democratic country, Panama is a top destination for adventurers, ecotourists, history buffs, beach lovers, families, and romantics. English is widely spoken and the U.S. dollar is the official currency, making Panama an easy and convenient vacation destination for American travelers.

# ACAPULCO

## Mexico's Original Resort Town

Mexico's oldest and most popular resort destination continues to hold its luster since it first became a favorite of American Hollywood jet-setters in the 1950s. Richly situated on two stunning bays—the Bay of Santa Lucia and Puerto Marqués—and only ten minutes away from Caleta and Caletilla Beach, the glitz of this city can be found in the resorts that line the shores, the splashy lounges and sultry nightlife of famous boulevard Costera Miguel Aleman, and the glamorous restaurants that peer down from dramatic cliffs, where they serve signature renditions of *pescado a la talla*.

This downward perspective has fascinated many, as international attraction La Quebrada proves. Here, divers train their entire lives to take the plunge 136 feet into the Pacific Ocean. For those preferring a view from below, the sport fishing, diving, and snorkeling are rewarded with sightings of turtles, eagle rays, and even friendly whale sharks among the shipwrecks, all of whom welcome travelers to a continuing golden age of the Pacific Coast.

# CANCUN

## A Place Like No Other

One of Mexico's most beloved beach destinations, developed exclusively with tourism in mind, the tip of the Yucatan Peninsula is perhaps the best example of a crowd-pleasing destination on this side of the Americas. The sun worshipper and water lover; historian and adventurer; spa hopper and wildlife explorer; gourmand and gourmet; families with children in tow, empty nesters, and couples in every stage of love ... there truly is something for everyone in this slice of paradise along the Caribbean Sea.

At the heart of the action lies Cancun, a seven-shaped strip of stunning resorts set on 14 miles of bright white, crushed coral beaches, and host to millions of visitors each year. Divided into the popular and lively Hotel Zone, Downtown Cancun, and the Ecological Reserve, golf, snorkeling, scuba diving, wind surfing, water skiing, sailing, deep sea fishing, and jungle tour opportunities all tempt loungers to leave the sugary sand, no matter in which region they set up their chairs.

# COSTA MUJERES/ ISLA MUJERES/ PLAYA MUJERES/ Mexico's Newest Paradise

If action is what you're seeking an escape from, the "Island of Women," or Isla Mujeres, is romance at its best. Once known as a sanctuary of the Mayan goddess of love and fertility, Ixchel, here lies unspoiled beaches, quietly luxurious resorts, and lovely restaurants and bars in Playa Norte, accessible by golf carts, mopeds, and bicycles. Even gentle whale sharks retreat to these calm waters during summer, joining the many visitors who take equal advantage of the deep sea fishing available here. Nearby, the tiny, motor-free Isla Holbox also provides tourists with an opportunity to swim with the world's largest shark, or mingle with flamingos—over 40,000 gather between spring and fall—while Isla Contoy, inhabited only by wildlife and welcoming a mere 200 tourists per day by law, lets visitors see nature the way nature intended.

# RIVIERA MAYA

## Gateway to the Mayan World

To discover all of the Mexican jungle's ancient secrets, go to the Riviera Maya. Known for its 70-mile stretch of postcard-perfect waterfront, this region is also the site of the ruins of Tulum and its eponymous beach. Equally famous for its cenotes—stunning underground sinkholes filled with crystalline water—as it is for its shoreline, rest and adventure go hand in hand here.

A stone's throw away from the peaceful resorts that line the Riviera Maya's shores is the renowned touristic area of Cancun; the colorful villages of Playacar; and, of course, lively Playa del Carmen, where the nightlife keeps visitors on their feet.

Nature-lovers will quickly find what they seek, as well. Xcaret, the massive eco-archeological theme park, is based here and, just south, you'll find the 1.3 million-acre Sian Ka'an Biosphere Reserve, a UNESCO World Heritage Site with 23 archeological sites. Not to be forgotten are the famous coral reefs of Cozumel and the Puerto Aventuras marina, popular with fishermen and yachters alike.

# COZUMEL

## Heaven on Earth

Cozumel, Mexico's largest island at 30 miles long and ten miles wide, has long been a favorite cruising port, even back in the 17<sup>th</sup> century, when it served as a treasury for pirates. Today, it's a treasury for marine life, with visibility of up to 200 feet and cenote diving sites created by underground rivers. Known as one of the world's most spectacular places to scuba dive, visitors to nearby Riviera Maya and Playa del Carmen often take the ferry ride just for the 25 coral reefs found off this island's shores.

On this mostly undeveloped, island jungle destination, nature takes the spotlight. Part of the Cozumel Reefs National Park, the Chankanaab National Park features the Chankanaab Lagoon—the only inland coral reef in the world—and the Punta Sur Eco Park, another top attraction. Its Faro de Celarain lighthouse has a museum, observation towers with crocodile views, and the old whistling Mayan lighthouse, El Caracol. Four Mayan archaeological sites round out the ancient culture, while the town of San Miguel provides a taste of today's culture, with hopping restaurants and active nightlife.

# IXTAPA

## Natural Wonder of the Mexican Pacific

Only 4.3 miles separate resort towns Ixtapa and the equally charming Zihuatanejo, but these sisters couldn't be more different. Ixtapa, a former coconut plantation, is the more glamorous sibling, with a hotel zone of high-rises, all-inclusive resorts, and upscale shopping. Its proximity to two championship golf courses and the Magic World Aquatic Park completes its appeal. Down the road from its resorts, Zihuatanejo is the laid-back free spirit, a quaint fishing village with winding streets of galleries, folk art shops, and beachfront palapa-style restaurants—an excellent way to spend a free day.

The bright blue waters both towns are blessed with mark them clearly as doubly alluring tourist and fishing destinations. Sailfish average 75 – 100 pounds; black marlin can be 1,100 pounds (the biggest recorded catch in the area); and snorkeler favorite Las Gatas Beach is named after the number of cat sharks residing off its shores. Experienced divers head to Los Morros de Potosi's granite-rock cave network, but those who want to enjoy the Pacific above it can find their bliss in a sailboat or on water skis.

# LOS CABOS

## At Land's End

The sapphire Sea of Cortez meets the Pacific at El Arco, arguably the most photographed landmark of Baja California Sur. Originally inhabited by the Pericu Indians, this mountainous desert peninsula is broken up into three districts: Cabo San Lucas, The Corridor, and San Jose del Cabo, each enjoying 350 long days of warm sun per year.

Cabo San Lucas, the “Striped Marlin Capital of the World” and host to the biggest-stakes fishing tournament on the planet, is a fisherman’s paradise by day and a reveler’s dream by night. Trendy restaurants and bars, a lovely marina, and the Luxury Avenue Mall lure travelers the way anglers draw in their catches. The fun continues at Medano Beach, where The Corridor begins. Twenty miles of upscale resorts, impressive spas, championship golf courses, and beaches lead to San Jose del Cabo, a sleepy town of cobblestone alleys and colonial architecture, small art galleries and boutiques, and other old world charms. From here, head northeast to nearby Puerto Los Cabos, a luxurious gateway to the East Cape coastline.

# MAZATLAN

## Charming City on the Beach

Attractions stretch as far as the eye can see in Mazatlan, its long Golden Zone lining the twelve-mile Malecón, one of the longest boardwalks on the Pacific Coast. Vacationers are drawn to the popular beaches of Playa Sabalo and Las Gaviotas; one of the largest aquariums in Latin America; and three championship golf courses, as well as swordfish, tuna, and marlin fishing.

“The Pearl of the Pacific,” this gem is more than a tourist area for beach lovers. Old Mazatlan’s charming “tropical neoclassical” restored mansions enchant beside markets, shady plazas, and cafés, and its cultural diversity is best heard rather than seen. Banda, a musical fusion of Latin/German-polka styles, is unique to Mazatlán, and Mazatlecos dance without restraint during their famous Carnaval.

To add to this city’s appeal are the nearby islands of La Piedra and Chivos, favorite boating destinations; the three main islands of Deer, Bird, and Sea Lions Islands; El Faro, once the tallest natural lighthouse in the world; and the “Devil’s Cave,” a historical pirate hideout. With these feasts for the senses and more, Mazatlan has become a perennial favorite.

# PUERTO VALLARTA

## Where Romance Comes to Play

Several destinations combine to create one of the most popular haunts of today's leisure traveler—Puerto Vallarta, which exploded onto the tourism scene with diversity that spans from world-class resorts on Banderas Bay to white-washed adobe houses on streets bursting with bougainvillea. With a section formally designated as the Romantic Zone, it seems only fitting that at least one famous love blossomed here: Richard Burton and Liz Taylor rendezvoused while filming *The Night of the Iguana* in the south-side villages of Boca de Tomatlan and Mismaloya. Yet with Playa de los Muertos' golden shores beckoning, the enticement of celebrity pales in comparison.

Bird-watchers will find marshlands and lagoons as much a sanctuary as the herons, pelicans, and exotic feathered friends who call this Pacific wonderland home. Golfers flock here in spades, too, pairing championship play with views just as renowned. Surfing, snorkeling, and kayaking send enthusiasts into turquoise waters, tinted gold every evening by some of the most spectacular sunsets in the world.
